4. Club Races

Increasing publicity:

Members to suggest websites to advertise?

Encourage our members to use the Runners World Forums so that our races appear high up in the lists/enter race reviews.

Nick has been typing up the entry forms into the Racemaster but has been having difficulties; can't find races other than KAT.

Forms for Inca, Castles and Bunny are now in – members to take these on.

Advertising in Yeovil Express / Western? PJ to find out.

More details for the Races on the website?

Access for recce of Castles? MC to e-mail William Beveridge?

Nick will speak with Jackie Deane about getting details into the Western Gazette.

Inca Trail

Recce run – Saturday 6th February – photos for website on way round

Entry forms have arrived.

She's already got 17 online entries and 6 postal ones. She's taking 300 forms around Ilchester, including the school.

Richard Dodge is producing the medals and Tina is ordering the ribbons.

MC to order Numbers, Pins, Stopwatches and new airhorn.

Ilchester Sports pavilion is booked, and Tina needs Race HQ staff and finish funnel people.

MC to book Red Cross – extra members for Ninesprings.

MC to write Noel Frost

Sherborne Castles

MC has obtained a sample technical T shirt from iDd – these would cost about £4/shirt. We have already published prices.

We will use the same design but different colour – mustard? Agreed to allow Lynda as arbiter of taste and decency in choosing colour!

MC has spoken to William Beveridge at Castle. We will need access on the Saturday to lay course and then on Sunday

More advertising of Tearoom?
E-mail Rotary Club regarding marshals. MC to e-mail Nick Whigham.

Easter Bunny

We will discuss this at next meeting.
Phil already has the 2010 Numbers – ordered at end of 2009.

Nick Brooke would like contact details for Luke Simon. Race is supporting the Piers Simon Appeal and we'll ask Luke to help advertise.

Pete will look at getting banner up at Yeovil Rec.

Summer 5km Series

Check RW event details – Fred thinks one of these shows as “Full”.

Entry form needs E-mail box and possibly Series T-shirt size box.

We discuss the charity for the Series this year – agreed that (given the number of Club members who've made use of the Hospital in the past twelve months) donation will be made to Yeovil District Hospital and specifically the Special Care Baby Unit.

We talk about getting technical T-shirts rather than glasses for Series entrants.

Nineprings

Race limit discussed – Jackie Deane is anticipating 500 runners total.
Go Yeovil! (GY) want us to have a 9km at 11am and a separate 4.5km Corporate race – possibly at 12.15pm. The children's 2km will take place concurrently with the 9km.

Presentation for the 9km and the Fun Run by 1pm.

Use of the studio at Goldenstones for race HQ/Computers? Baggage storage?

GY want whole event wrapped up by 4pm – perhaps put Corporate challenge back to 2pm? Same course – make this race **pre-entry only**. GY are providing marshals out of Rotary/Round Table.

GY want a walk and a wheelchair event – this will be left to them to organise.

Across the Divide inflatable finish gantry not available that day – Running Imp?

Annie and Nick going to a further meeting on 9th February.

T-shirt with the Go Yeovil! Events on back

MC to send Annie the T-shirt price list.

King Alfred's Torment

To be discussed at future meeting.

6. No Kit or Treasurer reports this month

7. Social Events

Skittles night on 5th February

8. Club Championship

Discussing the list of races that Annie has drawn up – first race will be the rearranged Street 5km on Wednesday 27th January.

Annie will e-mail details of the Club Championship and points scoring round to the membership.

9. AOB

- Toilet – Dee knows of a plumber who may be able to help. Phil will speak to him.
- Race Clock has been ordered, and we agree to pay £200 towards this.
- Adrian Marriott has offered to put on a talk for us, not his marathon masterclass but rather a 5km & 10km speed training session.
- Logo – still discussing this, as will cost £300 plus for graphic designer to work this up and still queries as to whether this design would work on embroidery or letter heading with the shading of design. We will continue to consider this issue.
