

Yeovil Town RRC 2021 Club Championships and Slam Hat Rules

As Covid restrictions are still in place there will be no planned Club Championships for 2020-2021. Hopefully, these will be able to resume for 2021-2022!

Slam Hats

The club continues to recognise individual club member's achievements by awarding Slam Hats. The qualifying race period is 1st November 2020 to 31st October 2021. **In all cases it is the responsibility of the individual to claim their Hat by notifying the Championship Secretary of the events they have completed by 31st October 2021.** Qualifying Events may be any officially organised **Virtual** event (this includes Virtual events arranged by Kevin Doherty (or any other member of YTRRC). Obviously, when 'real' races resume these will also be eligible. **PLEASE NOTE: To qualify, all distances must be done as a 'continuous' run using the 'elapsed time', not 'moving time'. This is in line with actual races when they re-commence. (For example, the Platinum award for Kevin's marathon on 14th March weekend will be the ONLY one to qualify)**

Hats continue to be a popular choice by a high percentage of members, however, the Committee will be looking into either an alternative or an addition to these. As the Club has no monies coming in from any of our races this will have to be a consideration and will not happen until situations improve. Unless we can organise races to bring some money into the Club and bearing in mind the Club still has outgoings, eg website, insurance, licences, track, we will more than likely have to ask for a donation towards the Hats this year. More details of this will follow.
