- AH reminded committee that if any new members wish to join in November or December but don't need EA membership straight away, they may wish to hold off until January when they will get 15 months membership.
- DM has attended first part of lead welfare officer course.

JS is first aid and defib trained however it was noted that there should be a few people at track and club runs who are first aid trained. AOB

- DM – membership fees need to be resolved by December so that they can be communicated to club members. It was agreed that it would be £40 for new members, £35 to renew and £25 for second claim joining and £20 for second claim renewal. This is to cover the increase of EA membership which the club has covered for the last three years without passing that cost onto members.
- AH – thank you to everyone who helped with cross country races today
- JM – letter has gone into CO for next years 5k events, this has been approved however Yeovilton are looking at how future requests are approved. This might mean that licence fees might increase. Nuffield Building is still being worked on; it is hoped that this will be ready for the Easter Bunny race.
- Frogmary takeover – it was suggested that we do 2nd December. JS to email Frogmary to organise.

There next meeting will be Wednesday 6th December at 7.00pm. If anyone has any issues/questions they would like to raise, then they should email them through to the chair or secretary.
