GS and SW to help set the course up from 8am, race starts at 11am. PM asked to set up the start and finish. Noel Frost will be helping with the timekeeping. LN will need another person to help in terms of data entry. JM confirmed that catering was all sorted. LN asked if entries could be received before the day, AH advised that dates of birth would be needed for entrants which could make this tricky. LN to liaise with GW regarding this. Currently there are 20 entrants, 16 of whom are YTRRC runners. It was agreed that AH would send a virtual poster to the schools, SW will take some posters to the full Monty race. SW to look at volunteers that we have and then put a post out at the weekend.

Non awards evening went well, it has been agreed that next year we would go elsewhere. Alison Griffiths will be coordinating this, Westlands is a possible venue for 2022.
